Fl is the price of the lowest Financial Proposal, and  
F is the price of the Financial Proposal under consideration.

The proposals shall then be ranked according to their combined (Sc) technical (St) and financial (Sf) scores using the weights<sup>6</sup> (T = the weight given to the Technical Proposal = 0.80; F = the weight given to the Financial Proposal = 0.20; T + F = 1)

$$Sc = St \times T\% + Sf \times F\%$$

The firm achieving the highest combined technical and financial score will be invited for negotiations.

## 12. Negotiations

- 12.1 The aim of the negotiation is to reach agreement on all points and sign a contract. The expected date and address for contract negotiation is *21 April 2018, IOM Main Building in Cairo.*

IOM shall prepare minutes of negotiation which will be signed both by IOM and the Service Provider/ Consulting Firm.
- 12.3 The financial negotiations will include clarification on the tax liability and the manner in which it will be reflected in the contract and will reflect the agreed technical modifications (if any) in the cost of the services. Unless there are exceptional reasons, the financial negotiations will involve neither the remuneration rates for staff nor other proposed unit rates.
- 12.4 Having selected the Service Provider/ Consulting Firm on the basis of, among other things, an evaluation of proposed key professional staff, IOM expects to negotiate a contract on the basis of the experts named in the proposal. Before contract negotiations, IOM shall require assurances that the experts shall be actually available. IOM will not consider substitutions during contract negotiation unless both parties agree that the undue delay in the selection process makes such substitution unavoidable or for reasons such as death or medical incapacity. If this is not the case and if it is established that staff were referred in their proposal without confirming their availability the Service Provider/ Consulting Firm may be disqualified. Any proposed substitution shall have equivalent or better qualifications and experience than the original candidate.

---

<sup>6</sup> May vary depending on the requirement of the Mission; normally, weight assigned to Technical is .80 and .20 for the Financial.

- 12.5 All agreement in the negotiation will then be incorporated in the description of services and form part of the Contract.
- 12.6 The negotiations shall conclude with a review of the draft form of the Contract which forms part of this RFP (Section VI). To complete negotiations, IOM and the Service Provider/ Consulting Firm shall initial the agreed Contract. If negotiations fail, IOM shall invite the second ranked Service Provider/ Consulting Firm to negotiate a contract. If negotiations still fail, the IOM shall repeat the process for the next-in-rank Service Providers/ Consulting Firms until the negotiation is successfully completed.

### **13. Award of Contract**

- 13.1 The contract shall be awarded, through a notice of award, following negotiations and subsequent post-qualification to the Service Provider/ Consulting Firm with the Highest Rated Responsive Proposal. ### **14. Confidentiality**

- 14.1.1 Information relating to the evaluation of proposals and recommendations concerning awards shall not be disclosed to the Service Provider/ Consulting Firm who submitted Proposals or to other persons not officially concerned with the process.
